Date: Friday, October 8, 2021
Time: 6 p.m. – 10 p.m.
Location: The Regent, Riverview

This fun evening will include local celebrity emcee, dinner, signature cocktail, cash bar, silent auction, performances by three stand-up comedians, and more!* (*Event planning is in progress.)

Outreach Free Clinic and Resource Center (formerly Brandon Outreach Clinic) was established in 1987 by a group of concerned individuals to create a way for uninsured individuals to access quality health care. Lacking financial resources to purchase medical care many of these uninsured individuals were going without treatment or were seeking health care in the emergency room as their primary source of care.

In addition to physicians and nurses, the planning group was composed of pharmacists, social workers, clergy, attorneys, and bankers. Their vision was to create a safety net for uninsured individuals who were falling through the health care gap. After two years of planning, fundraising, and establishing a grassroots network of providers, the clinic opened its doors in April 1989. Staffed entirely by volunteers, the clinic first started seeing patients one evening each week. Over the years, the clinic engaged other partners and entered into collaborative efforts with other medical providers who were also committed to serving this vulnerable population. The clinic has been able to expand its hours of operations and is now seeing patients 4 days a week, including both in-person and telehealth visits. Outreach Free Clinic and Resource Center provide both acute care and basic primary care. In addition, we also provide preventative care that includes health screenings, well-woman exams, and health education.

"I was referred to Outreach Free Clinic by Hillsborough County Breast and Cervical Cancer Program. I had no insurance, no doctor and did not know where to turn. I received immediate attention to the concerns that I had a lump in my breast and needed care. Turns out that I tested positive for cancer. It was the caring and wonderful staff at the Outreach Clinic that put me on the path to the care and treatment that I need for my breast cancer. God bless all." - V.C., patient

Due to Covid-19, the clinic has been unable to host its annual Kentucky Derby fundraiser in both 2020 and 2021. The annual event brings in crucial funds to support the clinic's mission of providing free health care to low-income, uninsured in Hillsborough County. We're excited to announce that we are hosting a new community event on Friday, October 8, 2021 benefitting Outreach Free Clinic and Resource Center. We hope you will consider joining us as a community sponsor for "Laugh Out Loud Comedy Show" and share an evening of laughter...*because laughter is the best medicine!*

Your support of Outreach Free Clinic and Resource Center helps ensure that no one has to take a chance and roll the dice on caring for their health!
